#### **SECTION 9.8 - NOTICE AND OPPORTUNITY TO CURE**

In the event that the Issuing Authority has reason to believe that the Licensee has defaulted in the performance of any or several provisions of this Renewal License, except as excused by Force Majeure, the Issuing Authority shall notify the Licensee in writing, by certified mail, of the provision or provisions which the Issuing Authority believes may have been in default and the details relating thereto. The Licensee shall have thirty (30) days from the receipt of such notice to:

- (a) respond to the Issuing Authority in writing, contesting the Issuing Authority's assertion of default and providing such information or documentation as may be necessary to support the Licensee's position; or
- (b) cure any such default (and provide written evidence of the same), or, in the event that by nature of the default, such default cannot be cured within such thirty (30) day period, to take reasonable steps to cure said default and diligently continue such efforts until said default is cured. The Licensee shall report to the Issuing Authority, in writing, by certified mail, at forty-five (45)

day intervals as to the Licensee's efforts, indicating the steps taken by the Licensee to cure said default and reporting the Licensee's progress until such default is cured.

## **SECTION 9.9 - TRANSFER OR ASSIGNMENT [SEE M.G.L.c. 166A §7]**

This Renewal License or control hereof shall not be transferred or assigned without the prior written consent of the Issuing Authority, which consent shall not be arbitrarily or unreasonably withheld. The consent of the Issuing Authority shall be given only after a hearing

upon written application therefor on forms prescribed by the Cable Division. The application for consent to an assignment or transfer shall be signed by the Licensee and by the proposed assignee or transferee or by their representatives, evidence of whose authority shall be submitted with the application. Within thirty (30) days of receiving a request for consent, the Issuing Authority shall, in accordance with State and FCC rules and regulations, notify the Licensee in writing of the additional information, if any, it requires to determine the legal, financial, technical and managerial qualifications of the transferee or new controlling party. If the Issuing Authority has not taken action on the Licensee's request for consent within one hundred twenty (120) days after receiving such request, consent shall be deemed given.

#### **SECTION 9.10 - REMOVAL OF SYSTEM [SEE M.G.L.c. 166A §5(f)]**

Upon termination of this Renewal License or of any renewal hereof by passage of time or otherwise, the Licensee shall remove its supporting structures, poles, transmission and distribution systems and other appurtenances from the streets, ways, lanes, alleys, parkways, bridges, highways, and other public and private places in, over, under, or along which they are installed and shall restore the areas to their original condition. #### **SECTION 9.11 - INCORPORATION BY REFERENCE**

(a) All presently and hereafter applicable conditions and requirements of federal, state and local laws, including but not limited to M.G.L.c. 166A, and the rules and regulations of the FCC and the Cable Division, as they may be amended from time to time, are incorporated herein by reference, to the extent not enumerated herein. All such general laws, rules, and regulations, as amended, shall control the interpretation and performance of this Renewal License to the

extent that any provision of this Renewal License conflicts with or is inconsistent with such laws, rules or regulations.

(b) Should the Commonwealth of Massachusetts, the federal government or the FCC require the Licensee to perform or refrain from performing any act the performance or non-performance of which is inconsistent with any provisions herein, the Issuing Authority and the Licensee will thereupon, if they determine that a material provision herein is affected, modify any of the provisions herein to reflect such government action.

#### **SECTION 9.12 - RECOMPUTATION**

(a) Tender or acceptance of any payment shall not be construed as an accord that the amount paid is correct, nor shall such acceptance of payment be construed as a release of any claim that the Town may have for additional sums including interest payable under this Section 6. All amounts paid shall be subject to audit and recomputation by the Town, which shall be based on the Licensee's fiscal year and shall occur in no event later than one year after the License Fees and/or PEG access Operating Fees are tendered with respect to such fiscal year.

(b) If the Issuing Authority has reason to believe that any such payment(s) are incorrect, the Licensee shall have thirty (30) days after a written request from the Issuing Authority to provide the Issuing Authority Town with additional information documenting and verifying the accuracy of any such payment(s). In the event that the Issuing Authority does not believe that such documentation supports the accuracy of such payment(s), the Issuing Authority shall conduct an audit of such payment(s). If, after such audit and recomputation, an additional fee is owed to the Town, such fee shall be paid within thirty (30) days after such audit and recomputation. In the event that the audit and recomputation determines that an additional fee is owed to the Town, the Licensee shall contribute to the costs of such audit up to one thousand dollars (\$1,000). The interest on such

additional fee shall be charged from the due date at the Prime Rate during the period that such additional amount is owed.

#### **SECTION 9.13- NOTICE OF CANCELLATION OR REDUCTION OF COVERAGE**

The insurance policies and performance bond required herein shall each contain an endorsement stating that such insurance policies and performance bond are intended to cover the liability assumed by the Licensee under the terms of this Renewal License and shall contain the following endorsement:

It is hereby understood and agreed that this insurance policy/performance bond shall not be canceled, materially changed or the amount of coverage thereof reduced until thirty (30) days after receipt by the Issuing Authority by certified mail of one (1) copy of a written notice of such intent to cancel, materially change or reduce the coverage required herein.

#### **SECTION 9.14 - REMOVAL AND RELOCATION**

The Issuing Authority shall have the authority at any time to order and require the Licensee to remove or relocate any pole, wire, cable or other structure owned by the Licensee that is dangerous to life or property. In the event that the Licensee, after notice, fails or refuses to act within a reasonable time, the Issuing Authority shall have the authority to remove or relocate the same, which reasonable cost the Licensee shall reimburse to the Town. In such event, the Licensee shall reimburse the Town the reasonable cost and expense of such removal within thirty (30) days of submission of a bill thereof.

## **SECTION 9.15 - INSPECTION**

Upon reasonable written notice to the Licensee, except in the case of an emergency, the Issuing Authority and/or its designee(s) shall have the right to inspect the plant and associated equipment of the Licensee in the Town during Normal Business Hours. The Licensee shall be present, and shall fully cooperate with the Issuing Authority, during such inspection(s).

## **SECTION 9.16 - PERFORMANCE EVALUATION HEARINGS**

(a) The Issuing Authority may hold a performance evaluation hearing during each year of this Renewal License. All such evaluation hearings shall be open to the public. The purpose of said evaluation hearing shall be to review the Licensee's compliance with the terms and conditions of this Renewal License, with emphasis on Cable System construction, PEG access channels, facilities and support, customer service and complaint response, and broad categories of programming;

(b) The Issuing Authority shall have the right to question the Licensee on any aspect of this Renewal License including, but not limited to, the construction, installation, maintenance or operation of the Cable Television System. During review and evaluation by the Issuing Authority, the Licensee shall fully cooperate with the Issuing Authority and/or its designee(s), and produce such documents or other materials relevant to such review and evaluation as are reasonably requested from the Town in order to review compliance with the Renewal License. Any Subscriber or other Person may submit comments during such review hearing, either orally or in writing, and such comments shall be duly considered by the Issuing Authority.

(c) Within sixty (60) days after the conclusion of such review hearing(s), the Issuing Authority shall issue a written report with respect to Licensee's Compliance with the Renewal License, and send one (1) copy to the Licensee and file one (1) copy with the Town Clerk's office.

(d) Acceptance of the terms and conditions of this Renewal License will not constitute, or be deemed to constitute, a waiver, either expressly or implied, by the Licensee or the Issuing Authority or the Town of any constitutional or legal right which it may have or may be determined to have, either by subsequent legislation or court decisions.
